ADOPTION OF THE AGENDA AND OTHER ORGANIZATIONAL MATTERS (continued)

The PRESIDENT said that since the completion by the Council of the work on the agenda of its second regular session on 26 July 1991, two additional issues had been brought to his attention which required action by the Council before they could be considered at the current session of the General Assembly. He therefore suggested that, if there was no objection, the Council should resume its work in order to take up the two outstanding matters, namely, the nomination of an additional condidate for membership on the World Food Council, under agenda item 19 (Elections and nominations), and the report of the Governing Counicl of the United Nations Development Programme on its resumed thirty-eighth session, under agenda item 11 (Operational activities for development).

It was so decided.

ELECTIONS AND NOMINATIONS (continued) (E/1991/L.9, A/46/274)

The PRESIDENT said that one candidate from the Group of Eastern European States remained to be nominated for election by the General Assembly to membership of the World Food Council for a three-year term beginning on 1 January 1992. The Secretariat had been informed by the Chairman of the Group of Eastern European States that Albania had been endorsed by the Group for nomination. If he heard no objection, he would take it that the Council wished to nominate Albania as a candidate for election by the General Assembly.

It was so decided.

The PRESIDENT announced that, the Council had thus concluded its consideration of agenda item 19.
